

Hi Ms. Huck,

I am so happy to hear that you are just as excited about Seed the Change as I am. I also believe it is a great opportunity for us that I couldn't turn down.

I feel so blessed that I have people like you that can guide me and tell me the things I need to hear. Investing is something that I never would have thought of if it weren't for this program, so I am so thankful to have this opportunity in my life. Thank you so much for partnering with me and for being there to cheer me on. Having support along the way will be really helpful.

I am looking forward to this journey and once again thank you so much,

Jackie De Leon
